Friends and Family,

I will be attending the 2018 Key Club International Convention in Chicago this summer with the delegation from the Georgia District.

Key Club members around the world are learning how to lead and stand for what's right through service and volunteerism. In partnership with their local Kiwanis club, high school students are making a positive impact as they serve others in their schools and communities.

I am asking for your support to help raise the money needed to attend the International Convention this summer - as this will provide me with invaluable leadership training, the opportunity to learn great new ideas to help improve our community through service and will provide a lasting impression of what this amazing organization does for high school students like me.

To donate - simply follow this link:

<https://kiwanisgivesonline.org/donate/georgia-district-key-club>

Be sure that my name is selected in the "Behalf Of" section during the donation process.

My personal goal is to raise enough to cover the cost of the trip - which is \$1,350 per student. The overall goal for the online fundraising campaign is for all of the students attending. **Any donation amount will help - so please consider donating.**

You can learn more about the convention at www.gakeyclub.org/icon.

Yours in Friendship and Service,
